All clubs/units/groups/committees that handle finances and have a checkbook must be chartered. Each 4-H club/unit/group/committee must complete the Charter Application and 4-H Charters must be renewed annually. To be a Chartered 4-H club/unit/group/committee in Wisconsin, the following requirements must be met and maintained:
 - Club name
 - Five or more youth from at least 3 families
 - Adult leadership that has been approved through the Youth Protection process

"Youth participation in leadership and decision making" emphasizes that 4-H clubs belong to the membership, and that the youth members should make the decisions. Adult leaders should not be making the decisions for the members.

26. Failure of a 4-H club/unit/group/committee to meet the above requirements may result in the loss of the club charter and the use of the 4-H name and emblem.
27. 4-H club/unit/group/committee written operating guidelines or by-laws need to include at minimum the following: the group's purpose/mission; a statement of compliance with state and national 4-H policies and laws; the approved civil rights statements; information on how the group is organized and makes decisions; the required dissolution clause; and procedures of how finances are handled and audited.
28. All 4-H clubs must comply with federal and state nondiscrimination laws, including Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and the Americans with Disabilities Act.

FINANCIAL ACCOUNTABILITY - WISCONSIN:

29. Federal regulations governing the use of the 4-H name and emblem require annual financial reporting/accountability of all organized 4-H units. Funds raised in the name of 4-H must be publicly accountable, and must be used for 4-H purposes. Failure to annually submit the financial report may result in loss of approval to use the 4-H name and emblem.
30. 4-H Clubs: All 4-H Clubs are required to submit a financial record and audit report to the county UW-Extension Office once each year. This report is included in the annual charter renewal documentation. Upon dissolution of a 4-H Club any assets must be turned over to a recognized 4-H club or group, with the approval of the 4-H Leaders Council and the county 4-H Youth Development Agent.
31. 4-H Leaders Council and County 4-H Committees: The county 4-H Leaders Council and county 4-H committees are required to submit a financial record and an audit of this record to the county UW-Extension Office once each year. Upon dissolution of a committee, any assets remaining shall be conveyed to the county 4-H Leaders Council.
32. Individual members or volunteers may not use the 4-H name and emblem to solicit funds or donations for any 4-H club, group or committee without proper authorization. Authorization for club level solicitation must be obtained from the officers of the club. Authorization for county level solicitation must be obtained from the county 4-H Leaders Council. Failure to obtain authorization may result in the loss of permission to use the 4-H name and emblem.

ADULT CHAPERONE GUIDELINES - ROCK COUNTY:

33. Adequate adult supervision shall be provided for all activities sponsored or sanctioned by the Rock County 4-H Leaders Council.

34. When that supervision is provided by designated chaperones, those chaperones must:

35. All Rock County 4-H Leaders Council sponsored overnight activities will include communication to orient 4-H members and parents to that activity.
36. The Rock County 4-H Leaders Council will cancel a 4-H sponsored activity or deny participation by Rock County 4-H members in a 4-H sanctioned activity if adequate adult supervision is not provided.

4-H AWARDS AND TRIPS - ROCK COUNTY:

37. The Rock County 4-H Leaders Council will support 4-H awards and trips awarded through the Rock County awards process and other statewide opportunities as determined by their budget at the beginning of the year. These opportunities do not include Rock County 4-H Camp and Cloverbud Camp, or sponsored award trips for which the member was not selected but may wish to attend (e.g. Rock County 4-H Day Trip, State 4-H Youth Conference etc.)
38. The dollar amount provided to any member for an opportunity not awarded through the Rock County awards process will be equal to the same proportion of the opportunity's total cost (e.g. one-third) as contributed toward trips awarded through the county awards process, not to exceed the total amount contributed toward the Citizenship Washington Focus Trip.
39. Members who cancel participation in an award trip after sending confirmation to the UWEX Office are required to pay the entire cost of the trip if the county is held financially liable for the trip and if an alternate is not able to participate. Exceptions can be granted only in the following cases: death in the family; serious illness, with a written statement from a doctor.
40. The Rock County 4-H Leaders Council will contribute toward one trip awarded through the Rock County awards process or one opportunity not awarded through the county awards process per 4-H member within a 4-H year. In the case of a member participating in more than one such trip or opportunity in the same year, the member will choose the one to which the Council will contribute.
41. Members are required to participate in the entire trip experience for all Council-sponsored award trips.

SAFETY REGULATIONS - WISCONSIN:

42. Adults and youth participating in high risk programs, including horses and bicycle, must wear protective clothing, head and foot gear while participating. Minimum requirements:
 - Protective head gear (SEI approved for the specific activity) which properly fits the participant
 - Shoes or boots which provide protection from the hazards of the program
 - Clothing appropriate for the activity which will protect the participant from the elements surrounding the event.
43. Approved safety helmets must be worn while mounted/driving a horse or operating a bicycle.
44. If a 4-H club or group is listed as the sole sponsor of an activity which includes the above listed projects, the helmet and safety equipment requirement applies for all participants. This includes adults as they need to be positive role models for youth.
45. These safety standards apply to all 4-H activities, regardless of location. Meeting these standards may require the selection of an alternative site, or requiring the use of additional safety equipment, even though it is not standard practice for the facility where the 4-H activity is to occur. If these safety requirements are not followed, then the particular event is not eligible to use the 4-H name and emblem, nor will it be recognized as a part of the Extension program.
46. Lifeguards are required when youth are swimming or participating in water-related activities, including canoeing, kayaking and boating.
47. Pointing any type of firearm including air guns, paintball guns, laser guns or laser sighting devices at any person, whether in 4-H shooting sports programs or any type of 4-H activity, is dangerous and inappropriate.
48. For all 4-H sponsored or co-sponsored horse activities and events, a saddle and bridle are required when riding or driving (bridle) a horse.
49. To exhibit animals at any public event as a 4-H member, youth must be in at least 3rd grade as of October 1st of the current 4-H year.
