### **4-H Tech Wizards Program Evaluation Consent Form**

This questionnaire is part of an evaluation of the 4-H Tech Wizards, a program of the University of Wisconsin-Extension. The purpose of the evaluation is to determine the success of the program and the benefits it has for the mentors and adult leaders. 4-H team members will use the survey results to improve the program and to document this impact to our funders and partners. If you would like to see the results of this evaluation contact:

Joanna M. Skluzacek, Ph.D., STEM Specialist

Your answers to the surveys are confidential. Your name never appears on the survey. Only the evaluators ever see the surveys. You may withdraw from this process or decide not complete the survey at any time. Doing so will not limit participation in any 4-H programs.

If you need more information on this survey or do not wish to be involved please contact Joanna Skluzacek. Otherwise, we assume that your completed survey is consent to participate at this stage.
