Rules For The Monday Night Horse Clinics With Cheri Zimmerman
Adams County 4-H Horse & Pony Project

It is your responsibility (the enrolled 4H'er and their parents) to know the Adams County 4-H Horse & Pony Project By Laws, Rules & Regulations, any requirements of the Arkdale Kings & Queens Club and the Wisconsin 4-H Horse Project Equestrian Guidelines. **ALL 4-H RULES APPLY.** Safety for all is the first priority for any 4H horse project activity.

Monday Night Horse Clinic dates at the fairgrounds is on the AK&Q Activities Calendar. Project members may enter the fairgrounds no earlier than 5:30 p.m. **Clinic starts at 6 p.m. Youth must be accompanied by an adult (legal guardian) who remains on the grounds during the clinic. Every participant must have a signed release of liability form, project plan form, negative coggins, and signed this rule sheet on file before participating in clinic.**

To attend the Monday Night Horse Clinics **requires a phone call 2 days ahead.** Please call or text Cheri Zimmerman at **cell 608-403-7655.** You must pre-register to attend the clinic BEFORE coming. Only those who have registered they are coming will be called in the event of a cancellation. Cheri Zimmerman determines if the clinic will be held or cancelled.

Only currently enrolled 4-H Horse & Pony Project members and their **enrolled project animals** may attend the clinics. That means the 4-H project member is the only one to ride their project animals (horse) at the clinic.

If a horse is misbehaving and hard to manage you will be asked to leave the arena for everyone's safety. You are then expected to tie that horse to the trailer or load in the trailer and come watch the others in the arena. Riding or driving is only allowed in the horse arenas -- NOT all over the fairgrounds.

Do NOT tie your horse to anything on the fairgrounds. Tie your horse safely to your trailer or hold onto your horse. **CLEAN UP ALL MANURE, GARBAGE AND FILL IN HOLES.** This requires you bringing the necessary tools to get this done. Horses are restricted to the grass area near the horse arenas.

You are expected to use the proper equipment at the clinic. That means you bring to practice tack that is LEGAL for showing at a pleasure show. NO Gag Bits, No barrel racing reins, riders will wear long pants, proper boots, required helmets, etc. **KNOW YOUR RULES AS LISTED ABOVE.**

We are excited to be able to offer these free clinics with the opportunity to learn and practice with our horses! Please be respectful of everyone, follow the rules and enjoy this opportunity. If you have any questions, please feel free to contact me.

Thank you!
