

10% Trip Reimbursement Form

After your trip you have the opportunity to earn up to 10% of your trip expense back.

The Leaders Association has already paid 65% of your trip. You can earn 5% back for doing **each** of the following promotional activities. If you choose to only do one of the requirements you will only earn 5% back, if you do both you will earn 10% back.

1. Any entry into the Adams County Fair about your trip. Must be entered in the Adams County Fair immediately following your trip. Some examples, but not an exclusive list, are; set up a booth highlighting your trip, Tri-fold display highlighting your trip, a photography exhibit, or a scrapbook.

2. Give a short presentation at the 4-H banquet promoting this trip to other 4-H youth. You can bring all or part of your fair entry to help with your presentation. Must be presented at the banquet immediately following your trip.

Once you have completed those 2 steps please fill out this form and turn it into the UW Extension office for reimbursement. **You can only submit this form once for each trip.** If you plan on doing both steps for a total of 10% reimbursement, wait until both steps are completed to submit the form. Only one check will be sent with your total reimbursement.

Name _____

Address _____

Phone _____ Trip Taken _____
