Name: JJ Basic

Project Record for Dairy Goats

Grade in school for this project year 12th

PART I All work to be completed by the youth.

1. Why did you take this project?

I took this project because I've had my own goats for a long time.

2. List four goals for this project this year. What would you like to do, to learn, to make or to improve in your project? Example: Take a leadership role in the Drama project.

1. Make the goat project group bigger.
2. Handle goat health care.
3. Get a new buck.
4. Raise a winning doe.

PART II All work to be completed by the youth.

Years completed in project as Member (3rd grade and up) _____

1. Explain how/why you did/did not complete each of your goals this year.

Example: I took sole responsibility for our club's play and taught 8 new members drama games focusing on creativity and cooperation skills.

1. Two new people joined the goat project this year.
2. This year I helped the vet give my goats their shots.
3. This year, I found a new buck.
4. Mine were too young when I showed them at fair.

2. What new skills or knowledge did you learn this year (including tools, equipment, and literature)?

Example: Learned new non-competitive drama games and improvisation techniques.

I've been in the goat project for a long time, so I didn't really learn any other new skills or knowledge this year.

3. How will learning these project skills help you in the future?

Example: Teaching younger 4-H'ers about drama has helped me improve my communication skills as well as my ability to relate to a wide variety of people.

If I continue my goat herd in the future, everything I've practiced this year will be put to good use.

(Dane Co. 4-H Record Book Workshop Materials created by Shelby Tone, Triangle Troopers 4-H)

4. What were some of the problems you had with this project, and how did you cope with them?

One problem was that some of my goats got sick after a show. The vet gave me a medicine that cleared up their disease.

5. Explain in detail the leadership qualities/skills you gained in this project. (Ex. ability to initiate, inspire, commit, plan, organize, communicate, delegate, problem solve, execute, etc.)

I had to find a new buck and I had to find time to clip my goats for showing.

6. The 4-H project promotes life skills such as leadership and sharing with others. Explain in detail how, and with whom (aside from your family) you shared any of the skills and knowledge that you have gained in this project. (Ex. Project meeting, demonstration, presentation, visits to nursing home, workshop, etc.) Be specific.

At the fairs, some people watched the goat show when I was showing.

7. Have you ever received a Dane County 4-H Project Award for this project?

Junior Pin Intermediate Pin Senior Pin
 Junior Certificate Intermediate Certificate Senior Certificate
 I have not received any awards

8. I would like to be considered for a Dane County 4-H Project Award. Yes No
