4HOnline Project Leader user guide

Created: August 12, 2013

OVERVIEW AND INITIAL ACCESS

4HOnline offers two levels of access to adults. First, all adult family members have access to their family's enrollment data. Secondly, for those adults with designated leader roles, it is possible to grant "Club Manager" or "Project Leader" access, which provides greater access to member enrollment data.

To access 4HOnline as a Project Leader, you must:

- Be enrolled as a screened adult volunteer in 4HOnline.
- Know the family email address used to enroll in 4HOnline.
- Know (or request from 4HOnline) your family login password.
- Be granted Project Leader access by Extension staff.
- Be provided with the project password by Extension staff.

To log on to 4HOnline:

1. Go to <http://wi.4honline.com>
(notice that there is no "www" in that address).
2. Enter your email address and password.
