

## 2021 Approved Wisconsin Youth Livestock Program (WYLP) Education Presentations – Registration Information

The 4-H Livestock Education Committee has confirmed that the education programs below offered by the Wisconsin Youth Livestock Program (WYLP), in connection with the University of Wisconsin Madison Animal & Dairy Sciences Department, College of Agricultural and Life Sciences and Division of Extension, can be used to meet your Livestock education requirement for beef, sheep and swine. These are LIVE Virtual Zoom educational programs.

To receive credit, youth must attend the webinar and complete the two forms below and upload them to the online portal that will open in February (more information on this soon):

- Youth who attend approved online programs not led by Dane County 4-H volunteers, will need to complete and upload an [Education Verification Form](#) for each online program attended.
- All youth will need to complete and upload the [Education Requirement Form](#).

These current topics are for youth and adults alike and occur on the 2<sup>nd</sup> Thursday of the month from January through May. Each session begins at 7 p.m. CST with a presentation followed by Q&A. You must register in order to receive the connecting information through email.

For more detailed information of each presentation and to register for any or all of the events, please go to: <https://go.wisc.edu/r3x8lh>.

- **January 14** - Roaming the Rumen
- **February 11** - Feeding & caring for Swine without Ractopamine
- **March 11** - Lamb Live & Carcass Evaluation; Lamb Culinary products
- **April 8** - Artificial Intelligence in Animal Sciences using sensors and cameras
- **May 13** - Meat Science Cookery
