

What does your future look like?

Visioning is an important exercise to help you and your farm family business reach your and its potential. Remember. . . *the best way to predict the future is to create it.* Creating your future starts with thinking about it.

Personal vision

Three years from now.....(2019)

What do you do?

Where do you live?

What are your daily responsibilities?

Where do you get your income to pay your living expenses?

Five years from now.....(2021)

What do you do?

Where do you live?

What are your daily responsibilities?

Where do you get your income to pay your living expenses?

Farm Family Business

Three years from now.....(2019)

What does your farm family business look like? (size, managers, enterprises)

How involved are you in the daily management decisions of the farm?

How involved are you in the long-term decisions for the farm business?

How much ownership (%) do you have in the assets of the farm family business?

Five years from now.....(2021)

What does your farm family business look like? (size, managers, enterprises)

How involved are you in the daily management decisions of the farm?

How involved are you in the long-term decisions for the farm business?

How much ownership (%) do you have in the assets of the farm family business?
