

Field Walk!

Hiemstra Dairy

Tuesday, September 17th
W 10972 County Road T
Brandon, WI

Field walk will begin at 6:30 pm

Parking on gravel drive behind
(south of) machine shed

Snacks and beverages kindly provided
by Farmers Elevator and Fond du Lac
County Farmers Soil Health Group

Topics covered:

- Second year of interseeding into corn
- No-till cover crops into corn silage and wheat stubble
- Benefits of an alfalfa- multi grass seeding
- Soil health tests

There is also a corn grain and silage variety plot open for viewing on site and we'll talk about some interesting results observed from a seed coating experiment this year.

**RSVP by Friday September 13th
