Junior Training (ages 8-11):

February 25, 2019 | 7:00 pm | UW-Extension Fond du Lac County

YQCA is designed as an annual education and certification program focused on food safety, animal well-being and character awareness for youth ages 8 to 21 producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, market rabbits, and poultry. The program has been designed by extension specialists and national livestock program managers to ensure it is accurate, current and relevant to the needs of the animal industry and shows and is appropriate for youth.

YQCA is a requirement to be eligible to sell at the Fond du Lac County Fair Market Livestock Sale, the Small Animal Auction, and to show at the Wisconsin State Fair Jr. Animal Shows (Beef, Sheep, Swine, Dairy, Goat, Poultry, Rabbit). Youth have the option to do the face-to-face training at any one of the YQCA Trainings across the state or to do the on-line training.

Goals:

- Ensure safety and well-being of animals produced by youth for showing and for 4-H and FFA projects
- Ensure a safe food supply to consumers
- Enhance the future of livestock industry by educating youth on these very important issues so they can become more informed producers, consumers and/or employees in the agriculture and food industry
- Maximize the limited development time and budgets of state and national youth program leaders to provide an effective quality assurance program
- Offer livestock shows a valid, national quality assurance certification for youth livestock exhibitors

Fees:

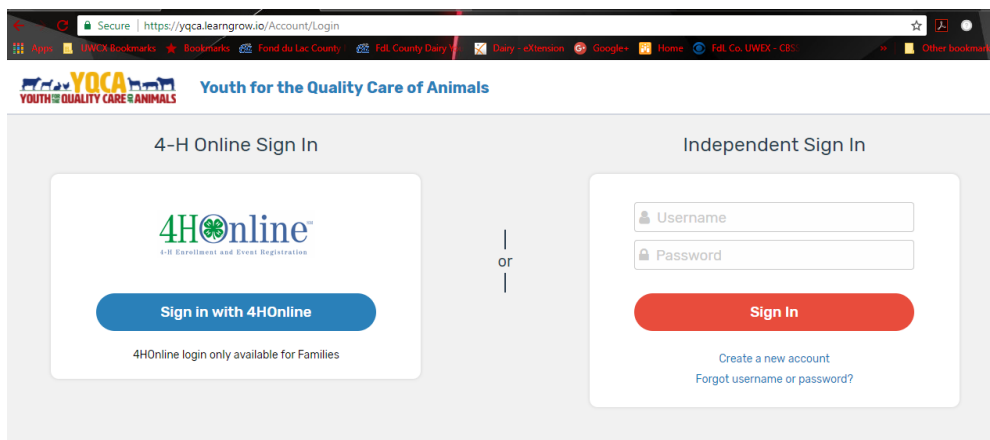

The program is designed to provide an estimated 60 minutes of education each year. The online program requires the passing of a series of three quizzes to earn certification. An in-person YQCA workshop requires complete attendance.

There is a fee for the program this year, and must be paid directly to YQCA at time of registration via credit card. The fee is \$3 per person for a face-to-face training. For those wishing to do the online training at anytime or anyplace, there is a \$12 fee. None of the fee comes back to Fond du Lac County. One hundred percent of the fee is used by YQCA to develop curriculum and web-based resources.

Registration:

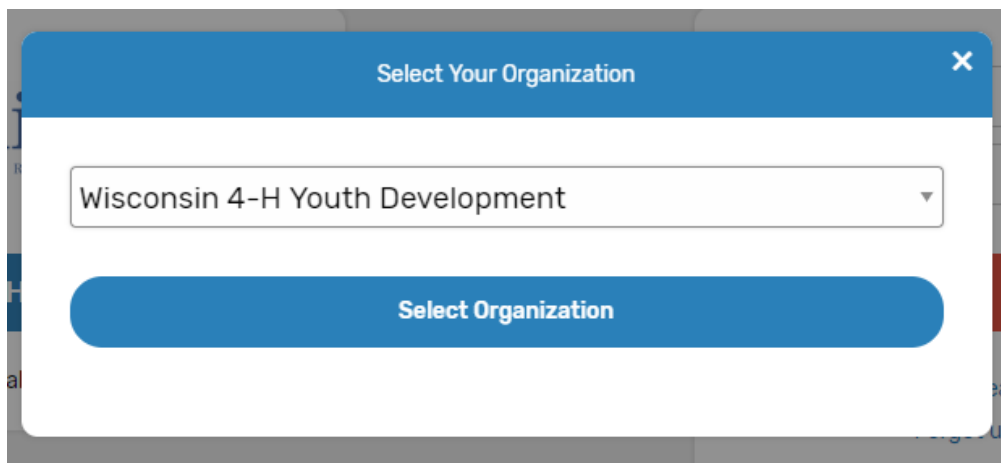

To register for the face-to-face or online certification program, please visit <https://yqca.learnrow.io/Account/Login>.

Step 1: Sign in using your 4HOnline user name and password, or you create a separate account. The following is logging in using 4HOnline option.

The screenshot shows a web browser window with the URL <https://yqca.learnrow.io/Account/Login>. The page header includes the YQCA logo and the text "Youth for the Quality Care of Animals". The main content area has two sign-in options. On the left, under "4-H Online Sign In", is a box with the 4HOnline logo, a "Sign in with 4HOnline" button, and a note that "4HOnline login only available for Families". On the right, under "Independent Sign In", is a form with "Username" and "Password" input fields, a "Sign In" button, and links for "Create a new account" and "Forgot username or password?".

Step 2: Select organization

The screenshot shows a modal dialog box titled "Select Your Organization" with a close button (X) in the top right corner. Inside the dialog, there is a dropdown menu that currently displays "Wisconsin 4-H Youth Development". Below the dropdown is a large blue button labeled "Select Organization".
