

# Whose Horse Am I?

Hey guys! I am a 14 year old breed stock paint gelding. I am sorrel and always, always in green. That's my rider's favorite color, and quite frankly we look good in it! I am ridden western and english and occasionally can be seen attempting speed events. I'm really lazy, so I'm not quite motivated for them. Something recent that has been happening to me, is I have been gaining little white spots all over my body and my owner is really excited.
