# About This Calendar

This 4-H Calendar was created for the 4-H families in Kewaunee County. Please understand that sometimes information may be added, deleted, or changed for reason beyond the control of the individuals involved. Watch the Extension Connection newsletter, Facebook (<https://www.facebook.com/KewauneeCounty4H/>), and the Kewaunee County UW-Extension website (<https://fyi.extension.wisc.edu/kewaunee4h/>) for the most accurate information and/or call the UW-Extension office at (920) 388-7141 for the most current details.

The purposes of this calendar are:

1. To help families plan their 4-H year.
2. To help county and club leaders plan activities.
3. To provide everyone in the 4-H program with important information.

As you will see paging through the calendar, 4-H has a lot to offer Kewaunee County youth and families. If you have questions about any activities you see, ask your club leader to call the University of WI Madison, Kewaunee County Division of Extension office for more information.

It is our hope that members and families will add club activities, and any other family activities in which they are interested to the calendar. Families today are very busy and active. This calendar can be a tool to help make choices for your family.
