

Hog Qualifications

1. All hogs must meet weight and grade qualifications for the auction. Hogs 230 LBS. & UP. Hogs above 300 LBS selected for the auction will have payment maxed out at 300 lbs.
2. A total of 55 hogs will sell.
3. Hogs must be ear tagged by May 1st.
 - a. Each hog needs to have a photo taken with the hog identification sheet, and ear tag by May 1st.

You will need to read and write down the ear notches of your hog on the sheet.

Photo will need to be sent to email :kcswineproject@gmail.com
 - b. Contact the Board of Directors and they will distribute the tags.

Hog Exhibitor Requirements as per Hog Committee

1. Must have YQCA, 2 species-specific meetings to sell, and "What I Learned" forms at the end of each meeting attended.
2. Exhibitors will be required to turn in the following by 3 PM entry day to the office in the livestock barn: an accurate new feed sheet, YQCA and a 4x6 horizontal photo on photo paper of the exhibitor with their hog. The exhibitor's name must be written on the back of the photo.
3. Showmanship is required to participate in the auction.
4. All hogs must be PRRS tested prior to unloading and CDI.
5. We ask that you each help unload your hogs and get them onto the scale for weight-in. All hog exhibitors need to stay, and help with the ultra sounding until all hogs are finished.
