

# Kewaunee County 4-H Dairy Tour April 8, 2017

The Dairy Tour will count as a dairy project educational meeting. Each tour will last approximately 1—1.5 hours.

9:00 AM Kinnard Highland Farm  
N7869 Apple Road  
Casco WI 54205

Dave and Randy Kinnard installed two Lely robotic milkers in October 2015. They milk about 120 cows with the robots and an additional 75 cows in the tie stall barn. The tour will focus on the robotic technology on the farm.

After the tour, the group will travel to:

~ 10:30 AM Ebert Enterprises  
N6939 County Road D  
Algoma WI 54201

The tour at Ebert Enterprises will focus on the calf facilities, which feature auto feeders for up to 500 calves. The group will meet at the calf barns on Oak Road. (*see map below*)

Please RSVP by April 5 to Aericia Bjurstrom at [aericia.bjurstrom@uwex.edu](mailto:aericia.bjurstrom@uwex.edu) or 388-7138.
