

Manure Irrigation Workgroup Meeting

AGENDA

April 29, 2015 — 9:00am - 3:00pm

Wisconsin Department of Agriculture, Trade, and Consumer Protection

Executive Board Room, First Floor
2811 Agriculture Dr., Madison, WI 53718

Meeting Overview:

This meeting will continue workgroup discussion on a draft report. Discussion will focus primarily on summary information for each “consideration for practice” and also outlining potential “synthesis” recommendations. A final workgroup meeting is being scheduled for late May or early June. The intention for that next (and final) meeting is to complete the recommendations and finalize plans for the report.

Agenda

- | | |
|----------------|--|
| 8:30am | Room available – coffee |
| 9:00 | Welcome, introductions, agenda overview/revisions, and review of ground-rules |
| 9:15 | Review of draft 2 comments and changes for draft 3 |
| 9:45 | Opportunity for additional questions on QMRA study by Drs. Borchardt and Burch |
| 10:15 | Discussion of considerations for practice for: droplet drift, odor, water quality, air quality, and airborne pathogens. Discussion will include key points regarding timing, road safety issues, and farm management issues. |
