

# **Jefferson County Master Gardener Volunteer Service Gardening Project Annual Report**

## **Gardening Project: 2014 Old World Wisconsin Highlights**

Report from Mary T.

Three Jefferson County Master Gardeners and one Master Gardener from Milwaukee-Waukesha County planned and maintained three of the public gardeners.

Supervised and educated a college student doing community service hours. She is going to be working with special needs individuals and would like to include gardening into a program.

We are working towards getting as many heirloom plants as possible to carry out the theme used in the museum gardens.

Working with the director on a long range project to create a railroad garden.
