Using Technology to Enhance Your 4-H Experience -- Objectives

Why?

Selecting the right tool

Managing risks

Ideas for tech integration

Why should you consider using technology in your 4-H Club?

Youth Development

Financial

Program Planning

Other

My club,
my community,
my country, and
my world.

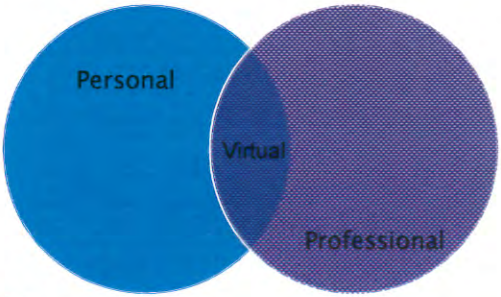

Technology & Risk Management

Social Media Policy

Understand your Digital Footprint

Follow your Code of Conduct

Set Good Boundaries

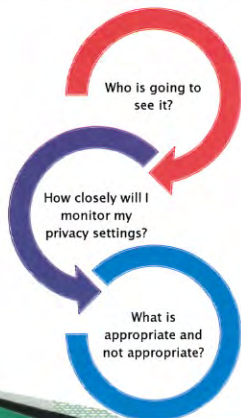

Personal

Virtual

Professional

Social networking
can help
link
people together.

Social networking can
blur
boundaries.

Understand Your Digital Footprint

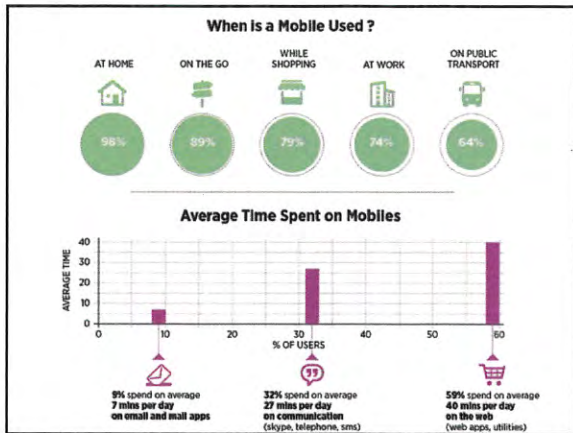

Selecting the Right Tool for the Job

Definition of Technology

The use of science in industry, engineering, etc. to invent **useful things** or **solve problems...**

A **machine**, piece of **equipment**, **method**, etc., that is created by technology...

APPS

- ▶ Apps = applications
- ▶ Focus on free or low cost
- ▶ Short cuts to jump to user specific programs
- ▶ Apple versus Android - usually available in both
- ▶ Cloud feature apps allow movement between devices and often users

Break Time!

Apps for 4-H Volunteers

What are **YOU** currently using and how?

Technology tools of the trade

JLA Sale Counter Help

Poll initiated by Christine [profile] · 11 · 9 days ago

Where: [Back 4-H Office](#)

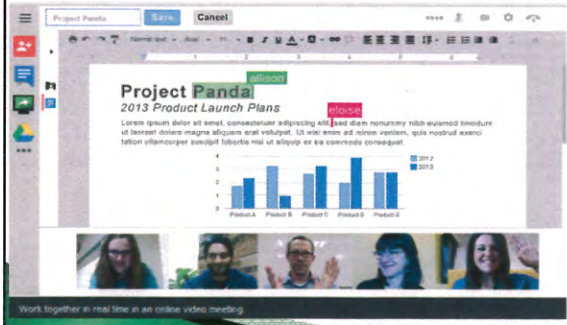

Front counter helper's job to register the buyers and make sure that they have the needed things and information to make a purchase at the sale. One should be able to tell the buyer about the livestock, what order the sale is in, the procedure for premiums, when and where to complete their sale and whom the checks are to be written to. A front counter helper is also the one the buyer deals with when trying to complete their sale. Adults & responsible teens. Please include club name.

This is a **Ranked poll**
Every option can be chosen by maximum 4 participant(s).

Show all 11 options

What is My 4-H

my 4-H serves as a central and collaborative source for more of the 4-H resources you want - including the National Directory of 4-H Materials. 4-H professionals, volunteers, and youth leaders can share, discuss, and learn of information and resources related to 4-H positive youth development.

Techno

Tips for using technology

- Expect things to change.
- Explore, don't master.
- Just try it!
- Be prepared and stay calm.

Tips for using technology

- Check the e-Forum website.
- When in doubt, Google.
- Always try YouTube.
- Keep it SIMPLE!

E-Forum Evaluation

- ▶ We welcome your feedback from tonight's e-Forum session.
- ▶ Your responses will help us to better plan future programs for 4-H Volunteers.
- ▶ Site facilitators, please compile your site's data and enter it into the survey link within 2 weeks of the session.
