

Supplies:

- Horticulture Activity:
 - Flowers
 - Tweezers (optional)
 - Razor blade (or small knife, scissors for younger children)
 - Hand lens or microscope
 - Paper /pencils
 - Diagram of flower structure handout - page 3

Leaders can use the two following web sites for background information, diagrams of flower parts and different types of flowers (right click on hyperlink)

<http://www.ext.colostate.edu/mg/gardennotes/135.html> Really good background for leaders

<http://leavingbio.net/thestructureandfunctionsofflowers%5B1%5D.htm> Very detailed for older participants

- Animal Science Activity:
 - Interpreting a Feed Label Handout
 - Copies of feed labels from Handout
 - Pens/Pencils
