

Encouraging the Heart of Leadership

2015 North Central Region 4-H Volunteer e-Forum

Take It Back! Handout

Take notes below on how you can use training tools to encourage the heart of leadership with youth.

What are different leadership roles and opportunities for young people?

Here are some ways I can develop supportive relationships with young people.

What are one or two strategies you will use in the next one-three months to encourage the heart of leadership in at least one young person?

What pieces from this training will you share with other volunteers/youth leaders—and how and when will you do that?
