

VOLUNTEER WITH MINNESOTA 4-H

Parent Volunteers empower 4-H youth to learn, lead and make a difference

We want our kids to have the best 4-H experience possible. Your presence can help make that happen. We need parents like you to become screened 4-H volunteers. The benefits are many:

- Your caring presence supports all our young people.
- Our club has the volunteers we need to meet required adult-to-youth ratios for 4-H programs.
- Youth have the opportunity to learn from you.

The enrollment process is easy! Visit z.umn.edu/volunteer4h/ or contact your local Extension office to get started.
