4-H Parent and Caregiver Interest Survey

Dear 4-H Parents and Caregivers,

Welcome to 4-H! We are excited to have you and your child in the 4-H program. 4-H helps youth to develop knowledge, attitudes, and skills they will need to be competent, caring, and contributing adult citizens. Parents and caregivers working together with 4-H Volunteers and Extension Staff can do so much more for the 4-H members than working alone.

You are invited to share in the 4-H experience by encouraging your child to participate and by participating yourself. Please check the items from the list below that you are willing to do if your local 4-H Club calls on you. Please return this completed form to the 4-H Club Volunteer.

Home

- 1. Enable my child to attend all meetings and encourage him or her to be an active, contributing member of the club.
- 2. Encourage my child to start and complete projects on time.
- 3. Encourage my child to participate in county workshops, public presentations, fair, camp, and other activities to enhance learning opportunities.
- 4. Encourage my child to keep an up-to-date calendar of 4-H meetings and events.
- 5. Encourage my child to maintain accurate 4-H Project records and submit them on time.
- 6. Enable my child to meet financial responsibilities such as club dues, project expenses, etc.
- 7. Help my child obtain materials or equipment needed for 4-H projects and see to it that he or she brings them to the meeting when necessary.
- 8. Encourage my son or daughter to have exhibits and visual presentations completed and delivered on time with all information as stated in project instructions and county rules.

Club/County

- 1. Help provide refreshments.
- 2. Lead a short game or song at a 4-H meeting or activity
