

TAKING ACTION

LEVEL IVB- REFLECTIONS

Exploring the mouth of the Fish Creek Estuary where it meets Lake Superior.

GOAL

Provide feedback to help improve the Adopt An Estuary Program

OBJECTIVES, students and teachers will:

1. Complete an **ADOPT AN ESTUARY CERTIFICATE APPLICATION & EVALUATION**
2. Submit this evaluation as part of their Adopt An Estuary application packet

SETTING

Classroom

MATERIALS

ADOPT AN ESTUARY CERTIFICATE APPLICATION AND EVALUATION form included in this unit.

BACKGROUND

Wisconsin Coastal Management appreciates your participation in its new Adopt An Estuary Program. Evaluation should always be part of any educational program. Your suggestions can help improve this program.

You and your class have completed an intense study of a Wisconsin estuary. You have demonstrated to your community your concern for protecting this unique environment.

Please take some time with your class to reflect on the program and celebrate your success in completing the Adopt An Estuary program!
