County Hosted Training Zoom or In-Person Training with Test

You can check for training dates and location at the UW Extension Events Calendar or at the PAT Store on the PAT web page: fyi.extension.wisc.edu

Or call the PAT Program at 608-262-7588 or contact your County Extension Office.

Online training is available and in some years online Zoom webinars may be available. Registration has to be done at the UW PAT Store online. People seeking certification in Fruit Crop or Greenhouse & Nursery can take the General Farming training and take the test of the manual they have purchased.

Enter desired training date & location:

_____ @ \$10 = _____

Payment Total \$ _____
