

Buying Things on the UW PAT Store

Step 1. Go To The UW PAT Store

<https://patstore.wisc.edu/secure/home>

Step 2. Select Type of Applicator

- Private Applicators are those who produce an agricultural commodity on their or their employers property. Click Private Applicator [1].
- If you are not a private applicator, then you are a commercial applicator. Click Commercial Applicator [2].

The University of Wisconsin Pesticide Applicator Training Program Store (The PAT Store)

Welcome to the University of Wisconsin-Extension's Pesticide Applicator Training program online ordering site, The PAT Store.

Wait! Do you apply a pesticide to produce an agricultural commodity on your or your employer's land or greenhouse? If so, you are a Private Applicator. Click Private Applicator below.

If the above is NOT true, then you are a Commercial Applicator. Click Commercial Applicator below. [2]

Commercial Applicator

Private Applicator [1]

Step 3. Select The Category

- On the left: the categories for commercial applicators are listed [3]. It will look similar for private applicators.
- Scroll down to find your category.
- Select the category you want. That will open up all the items available in that category.

Home

1.1 Field & Vegetable Crops

1.2 Fruit Crops

1.3 Livestock & Poultry

2.0 Forestry

3.0 Turf & Landscape

Welcome to the Commercial Materials Store!

Commercial Applicators Start Here.

Select the commercial category you wish to register for on the left. If you need to register for more than one category or more than one applicator, add items to your cart.

All those seeking certification have to purchase the training fee with training materials. As part of State records, training materials are assigned to individual applicators.

Step 4. Scroll Down to View the Items

- Clicking the category you want will display all the items in that category. To the right, we selected 7.1 Structural Pest Control, for example.
- Private applicators have a separate Training Class link.
- Scrolling down will display each item available in that category. If a training does not appear, it is either full, closed, or was not available to begin with.
