

Shawano County Fair Livestock Project Record

Name: _____

Club/Chapter: _____

Years Showing: _____ Years in Project: _____

Please indicate your Project Area:

☐ Beef/Dairy Steer

☐ Goat

☐ Sheep

☐ Swine

What goals did you set for your project and did you achieve them?

What challenges did you have with your project? How did you overcome them?

What is one thing you would change or do differently with your project next year?

Financial Summary

Record the following totals to see if your made or lost money on your livestock project this year. If you have more than one animal that you are raising for the fair, calculate the totals for the animal which you intend to sell in the auction. All costs should start from your animal weigh in or May 16th for swine.

Income:		Totals	Example - Beef
A: How much will your animal be worth at the end of the fair? (Use current market prices and estimated final weight.)		\$	\$ $1275\text{bs} \times 2.20 =$ 2,805.00
Expenses:			
B: How much is your animal worth at the start of your project? (Use current market price as of weigh and beginning weight?)		\$	\$ $755\text{lbs} \times 1.95 =$ 1472.25
C: How much did you spend on health (include vaccinations, vet checks, etc.)?		\$	\$ 725.00
D: How much did you spend for feed (grain, hay, corn, etc.)?		\$	\$ 912.75
E: How much did you spend on other expenses (tags, bedding, show supplies, etc.)		\$	\$ 119.25
F: What is your total expense for your project? B+C+D+E		\$	\$ 3,229.25
How much did you make/lose from your project? A-F		\$	\$ -424.25
