Digital Learning Technologies in Outdoor Education

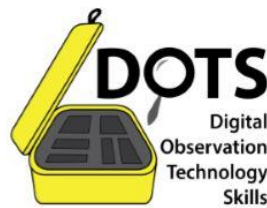

You are invited to attend a training for the Digital Observation
Technology Skills (DOTS) Kits on Tuesday, November 29th from
9:30 am—2:30 pm at Upham Woods Outdoor Learning Center.
Please stay for "Upham Camps & Guests Meeting" from 2:45 —5:00 pm.

DOTS Kits are used to engage today's youth in
exploring the natural world using innovative and
exciting technology tools. DOTS Kits can be used at
Upham Woods, and are also available for loaning and
use at your location.

Highlights of this DOTS Training:

- ◆ Use digital tools to investigate microclimate adaptations
- ◆ Understand DOTS program evaluations through Common Measures
- ◆ Gain access to low-cost DOTS tool lending program
