

We're Back!

Overnight groups abound! During the end of May and the month of June, we welcomed back returning groups and some new overnight camps! Eggers E-Girls group from Indiana and Wisconsin Land & Water were new groups that we hosted; La Escuela Fratney, 5 County 4-H, Washington County 4-H, Walworth County 4-H, and Winnebago County 4-H campers were thrilled to be back!

Pollinator Garden

Upham Woods' Garden Intern, Zoe Fess, is planting wildflowers to help our pollinator friends! There are eight beds that will hold flowers such as: Sunflowers, Celendula (Alpha) and Borage, just to name a few. These will bring in bumble bees, butterflies, and hummingbirds! While these flowers are gorgeous to the eye, they also have medicinal properties!

Upcoming Upham Woods Events!

Barberry Removal Service Project

On **Thursday, August 4th**, we are conducting a service project and need volunteers! We will be joined by the Wisconsin Department of Natural Resources (DNR) to help manage Barberry on Blackhawk Island. We will be pulling these invasive plants as well as gridding the island to locate additional patches of Barberry.

Save the Date!

On **Saturday, August 27th**, we will be hosting a community day to celebrate a wonderful donation to Upham Woods! Stay tuned in our next newsletter for more details, or view our [upcoming community events!](#)

Birding for All!

Interested in birds? On **Saturday, October 15th**, we are hosting a free, bird focused day! We welcome people from all ages and ability to attend our accessible birding event. By exploring trails and offering guided activities with access in mind, everyone will have fun time learning and watching these amazing animals!
