

Spring is Here!

Upham Woods has started welcoming in-person groups again and we are happy to announce that we will be able to host overnight groups this summer.

A call for dates for the 2022-2023 school year will be sent out in early April.

Upham Woods Welcomes New Staff

Starting late February and Early March we welcome Molly Bodde, Administrative Assistant Director, and Jason Vroman, Facilities and Operations Manager. For more information on the Upham Woods team visit [Meet Our Team](#).

Community Events and Programs

#DayoftheBadger

is an opportunity to celebrate what makes UW-Madison great! Supporting Upham Woods will allow us to expand our offerings to connect people with nature and each other. Positive childhood experiences in the outdoors help youth build a foundation of resiliency to cope and thrive throughout life, and as an adult, outdoor experiences can positively impact mental well-being. Let's make sure cost is not a barrier!

Youth Clubs

Ready, Aim, Fire!

April means Archery Club on is back. This club is full for this session, but stay tuned for future offerings.

Participants will learn about the fundamentals of archery and work on improving their skills.

Hooked on Fishing

In May we're welcoming back our Fishing Club. There are limited slots still available for this **free** month long club.

In this club youth will get an introduction to fishing and the opportunity to fish on the Wisconsin River with all equipment provided! [Learn more here.](#)
