

## Busy July at Upham Woods!

In July, Upham Woods hosted Upward Bound from Mauston for a trail clearing service project helping to increase access on Blackhawk Island while Sheboygan 4-H Youth rejoined us after the two-year hiatus. Wisconsin Dells FFA held their leadership retreat and Upham Staff headed to Grandparents University on the UW-Madison campus three weeks in a row to teach students about animal adaptations! Two more Upward Bound Groups (UWM and Math & Science) joined us after their campus tour at UW-LaCrosse and we loved seeing these high schoolers push out of their comfort zones as they learned forest ecology, canoeing, fire making, and more! Following Upward Bound we welcomed young adventurers from Bright Beginnings Childcare; they may have been small, but they were the strongest voyageurs we've ever seen! We're closing out July with a weeklong visit from Dane County 4-H's 2 camps which are helping us with our food waste reduction process!

## Did you know?

Upham Woods programming can come to you! July 15th and 16th Rachael and Beauty taught patrons of the Sauk County Fair about Radical Raptors!
