

Woods Writings

Greetings to our Fall Friends!

In September, Upham Woods started with a visit from the Madison County Day School and others for a team-building experience. Next up was the Advanced Leadership Program (ALP) of Juneau County, who had a blast learning archery. Badger Ridge spent two days participating in a variety of lessons, such as hiking Peanut Butter Mountain and Blackhawk Island and joining archery lessons. The Wisconsin Association of School Councils (WASC) joined us for a retreat weekend and we finished out the month by welcoming back Savanna Oaks Middle School for a day-long adventure!

Upham Welcomes WisCorps Fellows

Our [WisCorps - Wisconsin Conservation Corps, Inc.](#) service members, Matt and Cayleigh started in early September and we are so excited to welcome them to the team! They will be serving at Upham Woods for the next year and are excited to teach our visiting school groups! They'll be with us through July 2023!

left to right (Matt and Cayleigh)

Matt joins us from Baraboo, WI. He went to college at UW-Madison and majored in Microbiology with a certificate in French. With a background mostly in a research laboratory setting, Matt also has a passion for educating, especially in the field of conservation. He enjoys spending his free time outdoors and learning about his natural surroundings. Some of his hobbies include fishing, disc golf, morel mushroom hunting, and listening to history podcasts.

Cayleigh is a Biology graduate from Mars Hill University and has lived in North Carolina most of their life. Cayleigh loves animals, especially reptiles, and has a pet ball python named Toffee. She enjoys the superhero and sci-fi/fantasy genres, playing Minecraft and Stardew Valley, going hiking and camping, reading, and writing, and going kayaking and white-water rafting.

Birding for All!

Upcoming

Join Upham Woods on Saturday, October 15th from 8:30 am to 3:30 pm. We welcome people of all ages and ability levels to attend our accessible birding event at Upham Woods. Explore the trails at your own pace or join a guided activity.

Join Us!

Previous Event

In case you missed it, the accessible birding event hosted by [Lake Superior National Estuarine Research Reserve](#), [Friends of Lake Superior Reserve](#), [Hawk Ridge Bird Observatory](#), [University of Wisconsin Sea Grant/Water Resources Institutes](#) and Upham Woods was featured on the local news last week.
