

4-H Club Community Development and Service Project Report

Community Development and Service projects include any activity, event or project that impacts the environment, provides opportunities for people, enhances the community or furthers the educational endeavors of the club and community. Reported activities are to be activities planned by the club only. Projects support county level efforts or county level fund raising (ie – food stand) are not to be reported. Incomplete forms will not be considered. For each project, you may include one page of news articles or pictures. Please include this page directly after the report form describing that activity.

Club _____

Project title _____ Number of times completed _____

Club members, leaders and parents participating in the activity:

Why was this project chosen?

What did the families learn from this experience?

If you plan to continue this project next year or expand upon the projects, describe any changes or plans you might consider implementing.
