

Possible Equipment for Purchase Information from The Family Dog Center

15' tunnels for \$249 (22 oz fabric which will hold up greatly-they are like what we have-heavier than the J&J tunnels and hold up great

Metal tables @ \$199

This is a great deal for the clubs.....

A-Frames @ \$389 (this would be without wood or painted)-we got this down to the bare minimum and thought this could be a member or club project to purchase the wood, paint it and put it onto the frame—New ones like this completely done through J&J a main agility equipment supplier is over \$1000!!

If they want the wood put on the table or A-Frame and painted, we could do it and sell for \$600 and table \$279 (Supplies –paint, board, hardware are not that spendy—it's the time to do it!-that's why I feel this is a great opportunity for the clubs to get competition quality equipment at a fraction of the price with doing very little work!!

No concrete price yet on the metal pole bases, but approximately \$169-\$189 for a set of 6.

We do have some limited used equipment that people can look at and purchase if interested.
