

PURPOSE?

For teams of adults and high school youth sharing decision-making roles in communities, schools and organizations.

BE HEARD

This is your chance to be heard, at YPCL young people share their work with other young people. It's not just limited to youth in rural Wisconsin or urban cities. We want to hear from youth all over the state. Teams can do this by presenting a 30-60 minute workshop.

Look for more information, workshop proposal and registration forms as they are available at: fyi.uwex.edu/wi4hcitizenship/ypcl/
