## SHAWANO COUNTY 4-H SUMMER ALL-STAR SHOOTOUT PELLET AIR RIFLE SILHOUETTE RULES

1. Most shooters will have their air rifle sighted in for the 10 meter event. Since time doesn't allow anyone to resight for the three other silhouette distances, know your pellet drop at each of the distances. Have your equipment signed in prior to arrival for the match. There is no sight-in period.
2. NRA silhouette rules are used as guidelines; however, they are adapted toward 4-H goals and philosophies.
3. All competition shots are from the off-hand position, in either Olympic or military style. No slings.
4. Course of fire consists of 40 shots fired in two rounds of 20 each. Each round will consist of the following:
  - A. Five chickens at 10 yards; height of 1 ½”.
  - B. Five pigs at 15 yards; height of 1 5/8 “.
  - C. Five turkeys at 20 yards: height of 2 5/8”.
  - D. Five rams at 25 yards; height of 3”.
5. Course may be shortened proportionally, depending on the needs of the event to be determined by the range master and meet coordinator.
6. TIME LIMITS:
  - A. Ready time – Fifteen (15) seconds will be allowed after the command “READY” before the command “FIRE”.
  - B. Five minutes will be allowed to fire 5 shots, one shot at each target in the bank of 5 targets.
  - C. Competitors must fire at the targets in sequence, beginning left and progressing to the right. NO HITS are allowed for targets fired out of sequence.
7. Scoring is based on one point for each silhouette knocked down in proper sequence. Total possible points are 40.
8. Each shooter must bring an adult scorer to the firing line. A scorer at the firing line may have a scope or binoculars and advise the shooter where shots are going, keep time, or otherwise advise. The scorer may not touch the shooter or any equipment after the shooter assumes a position on the firing line.
9. Tie Breaker - Beginning at the longest targets, review combined (10 targets) scores for most hits at that distance; if still tied move to next closest target, etc. until tie is broken.
10. To shoot this event, a rifle MUST be classified as a Hunter or Sporter, as described in the air rifle event rules (see air rifle classifications for details).

## SMALL-BORE PISTOL

### General Rules

#### **Welcome to Small-bore Pistol Shooting!**

The objective of our 4-H Shooting Sports firearms program is to teach safe handling and use of a gun, marksmanship skills so that the participant enjoys it and finds it rewarding and, perhaps most importantly, HAVE FUN!

Small-bore Pistol was added to the Wisconsin 4-H Shooting Sports Program in 2009.

**Participants will need to be at least 12 years old and have completed Hunter Safety.**

Participants and their families need to take note of the following:

**Per BATF regulations, all pistol shooters under the age of 18 must have, in their possession, a written permission statement from their parent or guardian stating their permission to possess and fire Small-bore Pistols. In accordance with federal laws pertaining to youth and pistols (see Youth Safety Handgun Act), the National 4-H Shooting Sports Program prohibits the transportation of a pistol for any reason by a youth under 18 years of age. Arrangements must be made for an adult to transport all small-bore pistols.**

The **Small-bore (.22) Handgun Parent/Guardian Authorization** (consent form) follows this update. The page contains two forms that will be used for the Wisconsin 4-H Shooting Sports Small-bore Pistol discipline. Both forms need to be signed, witnessed, and dated. One form needs to be given to the County or Club 4-H Shooting Sports Certified Pistol Leader to keep on file. The other form needs to be laminated and kept in the pistol case so the youth has access to it at every training session or pistol competition. **Youth will only be able to shoot the pistol at a 4-H event (practice or competition) after presenting the completed form when checking in to the event. We recommend keeping this form in the pistol kit being used by each youth participant. Youth will also need to present proof of completion of DNR Hunter Safety.**

**Youth under the age of 18 may NOT possess a small-bore pistol without adult supervision. This includes driving themselves to the event or even walking from the parking lot into the building. Similarly, at any match, parents may not just hand the cased gun to their youth in the parking area and send them on their way to the pistol event. A parent or guardian needs to accompany the youth to and from the .22 pistol event.**

**EYE AND EAR PROTECTION REQUIRED** You may be aware that eye protection is required for Air Pistol. For Small-bore Pistol, ear protection will also be required. Ear plugs and/or protective muffs will do. A number of pistol instructors wear both. Please visit the hardware store, a sporting goods store or the sporting goods department at a neighborhood store to get proper hearing protection. Hearing protection is usually rated in terms of how much decibel reduction they provide. A higher number gives more protection.

**SMALL-BORE PISTOL EVENTS** There will be three events for Small-bore Pistol at this invitational. The events are Slow Fire, Timed Fire and Rapid Fire. These bullseye events will be shot one-handed.

#### **PISTOLS and AMMO**

Participants will need to bring their own .22 Long Rifle **non-jacketed** ammunition and pistol. Semiautomatic pistols are easier to shoot with for most competition, mostly because you don't have to thumb cock the hammer for each shot (remember, bullseye will be shot one-handed). Good semiautos are available from Ruger, Browning, Smith & Wesson and others. Feel free to discuss your pistol choices with your instructors.
