I WANT TO KNOW! CAMP

Suggested Heading: I WANT TO KNOW! STEM CAMP MAY 5-6, 2017

The Wisconsin 4-H Youth Development STEM I Want to Know! Camp (IW2K! STEM Camp) will be held again this year at Upham Woods Outdoor Learning Center in Wisconsin Dells, WI. This overnight camp, open to 6th- 8th grade 4-H members and non-4-H'ers, will take place on Friday and Saturday May 5-6. Youth will get the opportunity to learn about science, technology, engineering and math (STEM) during hands on sessions.

Campers will arrive on Friday at 5:30 p.m. for check in and then will get to participate in teambuilding group activities and a large group session before heading to bed. During the day on Saturday, campers will participate in sessions that include hands on STEM activities taught by UW faculty and volunteers from around the state. Previous year sessions included topics such as food science, DNA, electricity, herpetology and robotics! After an inspiring day of learning, camp ends at 4 p.m. on Saturday.

Registration for this camp is limited and fills up fast, so make sure to register as soon as possible! The Registration deadline is April 14, 2017. The cost for the IW2K! Stem Camp is \$70, which includes meals, lodging and a t-shirt. Transportation to and from camp are to be arranged by the youth's family. For more information and access to the registration form, please visit <http://fyi.uwex.edu/wi4hstem/events/i-want-to-know-stem-camp-2017/> or scan the QR code below.
