

Discussion Topic: "L.I.F.E study and demographics affecting planning"

Plan Commissioner Network

Wednesday, March 6, 2013 @ J.P.Coughlin Center, Oshkosh, 6:30-8pm

1. What is the value of demographic data?
 - Value of telling a story, seeing your community through a different lens, adding to your own personal knowledge and perceptions of your own community
 - A look at some local demographic data
2. Poverty and food security data
3. L.I.F.E. Indicator study

2013 meetings:

Wednesday, May 29, 2013, 6:30-8:00pm – Topic: Recycling and solid waste/garbage options for Towns, Location: TBD

Wednesday, September 25, 2013, 6:30-8:00pm – Topic: Road Use (weight limits, construction, road use agreements, large equipment and hauling), Location: TBD

Wednesday, October 30, 2013, 6:30-8:00pm – Topic: Managing subdivisions, Location: Town of Omro
