“Spring Ahead” Livestock Education Sessions

Session I - 10:00 am: “Ask the Experts!”

Discussion led by: *Andy Mindemann (Beef), Marge & Tom Knauer (Swine), and Nancy Burton (Sheep).*

Get your questions answered! We have put together a panel of experts in the area of livestock selection, care, feeding and showing. This interactive session is all about you – no question is too small or too complex. Not only will you learn a lot, but we will also talk about opportunities in the livestock world, from shows to careers. Bring your questions and we will have answers.

Session II – 10:45 – Noon: “Moving the Moos, Baas, and Oinks!”

Discussion led by: *Cara Cross, Columbia County Livestock Leader*

Join Cara, with this hands-on, out of your seat activity! Youth and adults will get the opportunity to gain basic information in moving and handling different species of animals; while practicing those ideas using models and other hands on activities. You will leave this session with the handling tools to be successful.

12:30 pm: Wisconsin Livestock Breeders Association Annual Meeting Banquet

1:15 pm: 2019 WLBA Annual Meeting & Recognition Program
