## 2019 Livestock Judging Results from Area Animal Science Days

**(Madison)** The 2019 Area Animal Science Days were held in Polk, Waupaca and Grant counties. Youth involved judged breeding and market classes of each of the following species, swine, beef, sheep and meat goats. Youth also answered a sets of species questions and seniors judges gave oral reasons on selected classes.

Congratulations again to all participants in this year's regional contests. The top Senior and Junior teams from each site earned the opportunity to compete at the State 4-H Livestock Judging Contest held on Monday, July 29th at the UW-Madison Stock Pavilion.

The contest site has pictures and scores from the event.
